

ON A FIRST NAME BASIS

New Water Bill Payment Option

Are you paying your water bill by check each month rather than paying online autopayment service charges? Would you prefer to use an autopay option? We have a solution for you! You can enroll in autopay through your bank, avoid those irritating charges and eliminate driving to the Town Hall drop box or paying postage. Plus, beginning **February 1st**, the Town will be able to capture your payment directly from your bank instead of being mailed a paper check, as was the case in the past. This means your payment will be posted to your water account the same day it is drawn from your account. No more worrying about late payments. The best part is that the Town will pay the service charges for these transactions! Contact your bank today to sign up for their automatic bill payment option.

Snow Removal Reminder

Public Works would like to remind everyone of the below ordinances and resolutions regarding snow removal.

Sec 11-1-20 -- Deposit of snow and ice on public roadway

- (a) It is unlawful to remove any snow or ice from private property, including but not limited to any parking lot, sidewalk, road or driveway, and deposit or dump the same upon or into a public sidewalk, street, road, or highway.
- (b) Except for Town employees or Town-designated contractors, it is unlawful to remove any snow or ice from any public property, including but not limited to any parking lot, sidewalk, road, or driveway, and deposit or dump the same upon or into a public sidewalk, street, road, or highway. (Ord. 09-01)

Section 11-1-30 - Removal of snow, ice and debris from sidewalks; notice and removal; nuisance.

- (a) Every person in charge or control of any building or lot of land withing the Town fronting or abutting on a paved sidewalk, whether as owner, tenant, occupant, lessee or otherwise shall remove and clear away, or cause to be removed and cleared away, snow and ice from so much of such sidewalk as is in front or abuts on such building or lot of land, within forty-eight (48) hours after the cessation of any fall of snow, sleet, or freezing rain, and shall then as soon thereafter as weather permits, cause sidewalks to be thoroughly cleaned, including any debris thereon.
- (b) In the event snow and ice on a sidewalk has become so hard that it cannot be removed without likelihood of damage to the sidewalk, the person or entity in charge of it removal shall, within forty-eight (48) hours after the cessation of any fall of snow, sleet or freezing rain, cause enough sand or other abrasive to be put on the sidewalk to make travel thereon reasonably safe, and shall then, as soon thereafter as weather permits, cause such sidewalk to be thoroughly cleaned.
