NATIONAL PUBLIC WORKS WEEK – MAY 15-21, 2022

While you don't always see all that the Public Works team does, they play a vital role in sustaining the town's infrastructure. Anytime you flush a toilet, turn on your water, drive on a town street, or make use of the town's parks remember that the Public Works team played an important part in establishing and maintaining those public services.

With this in mind, the Town of Elizabeth would like to recognize National Public Works Week, May 15 through 21.

If you see one of the Public Works team out and about, give a wave or a thank you for all they do to keep

Elizabeth moving forward.

If you haven't done it yet, sign up for the town email blast!
