Elbert County is updating the Hazard Mitigation Plan.

What hazards do you think should be the focus?

COMMUNITY SURVEY: Elbert County, in collaboration with local governments, is updating the 2017 Multi-Jurisdictional Hazard Mitigation Plan. The term "Hazard Mitigation" describes actions that can help reduce or eliminate long-term risks caused by hazards, such as floods and wildfires. Residents, organizations, and businesses are encouraged to contribute to the planning process. What hazards do you think the County should focus on? <https://bit.ly/ElbertHMP>

Benefits of this project include: ensuring eligibility for mitigation grant funding, increasing public awareness of hazards, and identifying a mitigation strategy for reducing future losses. Stay tuned for upcoming public surveys and project engagement opportunities.

Town of Elizabeth has a large amount of **FREE Wood Mulch!** It is great for Gardens, Landscaping, Walking Paths, Weed Control, Soil Amendment, and numerous other uses.

Public Works can load it for you, or you can load it yourself. Please call Mike DeVol with Elizabeth Public Works at 303-913-6453 for details on loading times and days.
