

Effective September 30, 2023, the Elizabeth Post Office stopped delivering mail to the mailboxes along S Pine Ridge Street. This was to allow for the transfer of mail delivery to the Cluster Mailbox Units located at S Pine Ridge Street and County Road 136. The mailboxes are no longer serviced by the Elizabeth Post Office.

As of April 15, 2024, the Town will consider the mailboxes abandoned by any owner who leaves them in place, and the Town Staff will begin to remove those mailboxes along S Pine Ridge Street as they are on Town Right-of-Way. If you would like your mailbox, then please remove it before April 15, 2024.
